

Dear Store Manager/Owner/ Purchasing Agent:

I want you to stock The Cookie Momsters, Gluten and Casein Free, Frozen Cookie Dough in your FREEZER section!

My friends, family, and I shop here frequently and want the convenience of buying this delicious, healthy, and allergen friendly cookie dough from you.

The Cookie Momsters, Inc. is mom-owned and operated by women who understand what it's like to be forced to eat certain diets due to special dietary needs and food allergies. One of the moms has a child with autism that not only must be on the gluten and casein free diet like so many other autistic children, but also has numerous other food allergies as well. The moms created this cookie dough in mind for all children that have special dietary needs. The Cookie Momsters cookie dough contains **no** artificial flavorings, colorings, or preservatives; and *GMOs* are never used.
